

Dear Susan,

Circle February 14 on your social calendar and plan to "come home" for a Valentine's Day party at the Dawneys! Mom and Dad have promised us the rumpus room and some new records for the occasion.

Many of your good friends will be here, and Pete has asked that you be his valentine for the occasion! As I recall, you and he got along famously when you were here last summer.

Mother has reserved the guest room for you, and we'd like you to stay with us for the weekend. So let me know how and when you will arrive. I'll arrange to have someone meet you if I can't do so myself.

Since I last wrote, we've moved into our new home at

3947 Mulberry Circle

So use that address when you write to say you'll be with us. And I do hope you'll say "Yes."

Cordially
DiAnne
